The First Intimate Luxury Property in the Sian Ka'an Biosphere.

KanXuk Blue Maya Resort combines privacy and exclusivity against a tropical backdrop, with uninterrupted views of the crystal waters and pristine white sands of the Caribbean. We welcome you to a world where nature awakens new senses, and comfort is perfectly balanced with eco-consciousness and privacy.

Location | Sian Ka'an, Quintana Roo, Mexico
Nestled on the Sian Ka'an biosphere coastline, a UNESCO World Heritage site on the eastern coast of Mexico's Yucatan peninsula, KanXuk Blue Maya Resort is tucked away from trodden touristic attractions. Approximately 35 km from the beach town of Tulum, its remoteness is central to its charm. The property is located on latitude 19.861523 and longitude -87.439767.
